ABOUT US

The Health Department of Allegany County, Maryland was established in 1923 and exists by law as a state public agency under the Maryland Department of Health and Mental Hygiene.

The organization is under the direction of the County Health Officer who, together with the entire staff of the Health Department, is dedicated to assessing and assuring that the health of community residents is protected and optimized.

The Allegany County Health Department is made up of several major divisions, including Administration, Environmental Health, Behavioral Health (Addictions & Mental Health), the Mental Health System's Office, Nutrition/WIC, Dental Health, Physical Health, and Public Health Preparedness. Services are provided through clinics; school and home visitation; evaluations; consultations; counseling; outpatient and residential treatment centers; educational presentations and campaigns; health inspections and licensing; and financial certification for specialized services. The Health Department is funded through county, state, and federal revenues and the annual budget requires the approval of both county and state governments.

Fees are charged for most services. Chargeable services are provided based on a sliding fee scale according to income. No one is denied care or treatment because of inability to pay. Health Department services are listed in the telephone directory under Allegany County Government.

VISION: Healthy people, healthy communities.

MISSION: Promote physical, behavioral, and environmental health, and prevent disease and disabilities of people in Allegany County.

VALUES: This mission is a community-wide public health partnership achieved through:

- Building safe and healthful communities for people in Allegany County.
- Assuring needed services are available and accessible through:
 - ✓ Assessing and monitoring health status;
 - ✓ Networking and building community partnerships;
 - ✓ Advocating and developing policy to resolve health needs.
- Delivering appropriate direct services in a manner that is:
 - ✓ Consistent with highest professional standards;
 - ✓ Sensitive to local values and community acceptance;
 - ✓ Responsive to client needs;
 - ✓ Respectful of client dignity and freedom of choice;
 - ✓ Comprehensive by addressing the physical, emotional, and social needs of the client and significant caretaker;
 - ✓ Empowering people toward independence and individual responsibility.
- Promoting personal and community health through education and outreach.

ADMINISTRATION

The Administrative Division contributes to the overall operation and management of the entire Health Department. Lead by the Health Officer, Deputy Health Officer, and Administrator, this division is responsible for collecting data and monitoring public health in our communities. This planning function works to improve availability and access to needed services for county residents by partnering with relevant organizations and agencies.

Administrative functions include Human Resources; Purchasing; Accounting and Fiscal Management; Information Technology, Timekeeping and Payroll; and Vital Records (responsible for issuing birth and death certificates, and maintenance of vital statistics and records for Allegany County).

COMMUNITY HEALTH

Mission and Staff:

The Community Health program is dedicated to fostering partnerships between community organizations and advancing the health and wellbeing of Allegany County residents.

Healthy Allegany 301-759-5029

Healthy Allegany provides community health worker services to improve health outcomes for high-risk populations. Community health workers establish relationships with clients and assist them with accessing the health and social resources they need, making lifestyle changes, and navigating the health care system. Healthy Allegany also includes programs to meet the transportation and emergency assistance needs of county residents and help health care providers link patients to community resources.

Allegany County Health Planning Coalition

The Allegany County Health Planning Coalition is a network of established organizations and committees. Representatives from a variety of sectors have come together to assess community need and implement a local health action plan with the vision of "Healthier together in Allegany County." For more information on the Coalition, see www.alleganyhealthplanningcoalition.com.

Public Health Accreditation 301-759-5029

The Allegany County Health Department is seeking accreditation by the Public Health Accreditation Board (PHAB). PHAB is a national body that accredits local and state health departments based on public health standards. Through the accreditation process, the Allegany County Health Department seeks to advance quality and performance within the health department.

DENTAL HEALTH PROGRAM

Mission & Staff:

To promote preventive dental programs for children in Allegany County, to provide quality dental services for children in Allegany County who have an active MA/MCO card, to deliver dental services in a positive environment with high professional standards, and to offer services with patience, empathy, respect and tolerance to promote a positive dental experience for each child who visits the clinic.

Staff includes licensed dentists, dental hygienists, and dental assistants. The dental clinic is located in the Brook Building, Entrance Door #4. Appointments are scheduled for all clinics.

Services Provided:

- Dental clinical services including cleaning of the teeth, fluoride treatments, sealants, radiography, space maintainers, restorative care (fillings), root canals, and extractions.
- School screenings of first graders in Allegany County.
- Dental health education for the community and educational materials available for community use.
- School-based dental sealant program for first, second, and third graders in targeted schools.
- Adult extraction clinic.

Who Is Eligible:

- Pregnant women and any child in Allegany County up to and including 20 years of age who has a valid Maryland Medical Assistance Maryland Healthy Smiles card with whom the Health Department has an active contract.
- Allegany County resident who is identified as needing urgent or immediate treatment by the school screening process. Siblings of these children are also eligible after the first grader has initiated treatment.
- Dental care is provided for the Boys Forestry residents.
- Extractions are offered to low income adults on a sliding fee scale including adults who have a MCO/MA card or Medical Assistance card. The clinic is

held the second and fourth Tuesday of each month.

Hours of Operation:

Monday through Friday, 8 a.m. to 5 p.m.

General Information: 301-759-5030

ENVIRONMENTAL HEALTH

Mission and Staff:

The Environmental Health program is dedicated to providing a safe and healthful environment for the residents and visitors of Allegany County. The Environmental Health office is located in the Willowbrook Office Complex on the ground floor.

Services Provided:

- **Wells:** Sampling of newly constructed wells, issuing permits, and construction inspections.
- **Non-Community Water Supplies:** Regulatory sampling, inspections and evaluations.
- **Water Quality:** Information and complaint investigation.

MENTAL HEALTH SYSTEM'S OFFICE

Core Service Agency (CSA)

Mission and Staff:

The Mental Health System's Office is the designated county authority responsible for planning, managing and monitoring the county's publicly funded mental health services. Maryland's Public Mental Health System provides mental health services to individuals with Medical Assistance and to individuals who are uninsured and meet established criteria. Additionally, the MHSO (CSA) provides a number of mental health support services described below. The MHSO is located on the first floor of the Willowbrook Office Complex, near Administration.

MHSO Core Services 301-759-5070

- Planning, managing and monitoring the development and delivery of services provided through both Maryland's fee-for-service system and through purchase of service contracts with local providers.
- Supporting and promoting mental health wellness, recovery and resilience and providing public education and stigma reducing activities.
- Providing advocacy services for individuals within the public mental health system to assist them with accessing needed services.

Mental Health Case Management 301-759-5073

Provides supportive case management services to individuals eligible for public mental health services to assist them with accessing treatment, housing, employment, entitlements, etc.

Community Criminal Justice Treatment Program 301-729-8540 ext. 233

Evaluation, individual and group support services, release planning and aftercare referrals for inmates with a mental illness who are incarcerated in the Allegany County Detention Center.

Projects for Assistance in Transition from Homelessness 301-759-5215

Provides assistance in locating housing resources to individuals with mental health illness who are eligible for Maryland's Public Mental Health System and who are homeless and/or being released from incarceration.

Who Is Eligible:

- Education and referral services are available to anyone involved with or interested in knowing about Maryland's Public Health System.
- All other services are available to individuals with Medical Assistance and/or who are uninsured and meet eligibility criteria for the public mental health system.

NUTRITION SERVICES

Mission and Staff:

The Nutrition Department promotes wellness and provides nutrition education

programs for Allegany County residents. Offices are located on the first floor of the Willowbrook Office Complex.

WIC - Special Supplemental Nutrition Program for Women, Infants, & Children 301-759-5020

Health assessments and referrals, nutrition education, breastfeeding support and supplemental foods for qualified families. Services available free of charge to women who are pregnant or breastfeeding and young families who have babies or children up to age five. We have four locations within Allegany County.

Breastfeeding Education and Support Services 301-759-5024

Staff provides education classes for pregnant women and their support persons. Call for a schedule of upcoming classes. Staff are also available to assist moms and babies in getting off to a good start, providing guidance and support along the way. Staff can address any questions you may have about breastfeeding your baby. Services available to Allegany County residents and moms who deliver in Allegany County.

Hours of Operation:

Monday through Friday, 8 a.m. – 5 p.m.
Other times available by appointment only.

PHYSICAL HEALTH SERVICES

Mission and Staff:

Physical Health Services are designed to promote healthy people in healthy communities through a variety of programs designed to serve all ages: children, adolescents, adults, and the elderly. Offices are located on the first floor of the Willowbrook Office Complex (WOC) building. Depending on the program, services are provided in clinics at the WOC location, in client homes, and in public schools.

Children and Adolescent Services

- **Administrative Care Coordination Unit (ACCU) Ombudsman** 301-759-5094
Provides help to Medical Assistance clients with understanding and access to the managed care system; follow-up of non-compliant clients. Provide education to Maryland Medical Assistance patients including enrollment into Healthchoice MCOs, coverage, and benefits. Ombudsman handles more complex issues, hard-to-reach clients, and non-compliance issues.
- **Genetics** 301-759-5077
Provides genetic consultation, diagnosis and monitoring three times a year for children through staff from the University of Maryland Hospital.
- **Improved Pregnancy Outcome** 301-759-5077
Facilitates the local Fetal/Infant Mortality Review Board with evaluation of all fetal and infant demises. Provides community education regarding the promotion of healthy pregnancy and infant care.
- **Infants and Toddlers** 301-759-5081

This is a collaborative effort with the Allegany County Board of Education and the Allegany County Department of Social Services. The program provides home visits for OT, PT, speech, special instruction, and service coordination to developmentally delayed children birth to 4 years of age.

- **Maryland Children's Health Program (MCHP)** 301-759-5076
Determine eligibility of children up to age 19 and pregnant women of any age for the Maryland Children's Health Program.
- **Families and Children (FAC)** 301-759-5076
Determine eligibility for parents and other family members caring for children up to age 21 for the Families and Children Program.
- **School Health** 301-759-5088
The School Nurse Program provides students and faculties in 22 schools with a multitude of health and medical services, including: caring for the sick and injured, administering and monitoring medications, health counseling, education and screening.

Adult Services

- **Adult Evaluation and Review Services (AERS)** 301-759-5210
Provides assistance to aged and functionally disabled adults who are at risk of institutionalization. AERS staff conducts a comprehensive evaluation to identify services available to help the individual to remain in the community, or in the least restrictive environment, while functioning at the highest possible level of independence and personal well-being.
- **Breast and Cervical Cancer Services** 301-759-5083
Breast and cervical cancer screening services for uninsured or under insured, low-income women age 40 – 64; may receive screening, diagnostic, and treatment services for breast cancer.
- **Colorectal Cancer Control Program** 301-759-5121
Allegany County citizens ages 40 and older who meet income eligibility requirements may receive screening and diagnostic services for colorectal cancer.
- **Family Planning Services** 301-759-5086
Provides emergency contraception and pregnancy testing, Monday through Friday, 8 a.m. to 11:30 a.m. and 1 p.m. to 4 p.m.
- **HIV/AIDS Services** 301-759-5138
Confidential testing and counseling. (*Clinic and Case Management* 301-759-5085.)
- **Overseas Immunization Clinic** 301-759-5080
Mondays by appointment. Review and provision of immunizations for overseas travel. If possible, call at least one month prior to travel to schedule an appointment.
- **Personal Care/Community First Choice** 301-759-5089
Meal preparation, bathing and assistance with household tasks to persons with Medical Assistance who are chronically ill or disabled and at risk of being placed in a nursing home or other institution.
- **STI (Sexually Transmitted Infection) Clinic** 301-759-5086
Confidential STD/HIV testing and treatment. Tuesday mornings by walk-in.

Additional Clinical Information 301-759-5112

Elderly Services

- **Senior Care Program** 301-759-5210
A program designed to help people 65 or older, who are at risk of entering a nursing home, to remain safely in the community in their own homes for as long as possible. Senior Care provides a case manager to secure and 'gap filling funds' to purchase services for individuals who meet program eligibility requirements.
- **National Family Caregiver Support Program (NFCSP)** 301-759-5210
As support to caregivers, the NFCSP provides short term services to eligible individuals age 60 and older.

Communicable Disease 301-759-5112.

Investigation, consultation, and disaster response. Services available 24 hours/day, 7 days/week.

Prevention Services

Prevention Services is an 'umbrella' of programs with the goal of reducing injury and disease through public education and awareness. The staff includes one registered nurse and an outreach worker.

- **Lead Awareness Program** 301-759-5077
Provides case management of children with elevated blood lead levels and public awareness of the lead poisoning problem.

Hours of Operation:

Physical Health staff is available during regular business hours, Monday through Friday from 8 a.m. to 4:30 p.m. However, hours and days for specific services may vary. Please call for information on specific programs and services.

PUBLIC HEALTH PREPAREDNESS

Mission and Staff:

The Public Health Preparedness Office serves the community by providing timely information, preventive measures, and preparedness planning for a wide variety of natural and man-made public health emergencies. This office coordinates with local emergency responders to protect the community from contagious diseases or other health threats. It is also a community resource for education, training, and information on potential emergencies.

Staff includes a Public Health Emergency Planner, the Health Department's Public Information Coordinator, and support staff. Offices are located in the Willowbrook Office Complex (WOC) building, first floor.

Information Hotline: In a public health emergency, our information hotline may be activated. The hotline (301-759-5055) **will only be activated as needed and is not normally staffed or checked for messages.** In a public health emergency, check the ACHD web site (www.alleganyhealthdept.com) and watch local media for

announcements about hotline activation.

Hours of Operation:

Normal office hours are Monday through Friday, 8 a.m. to 4:30 p.m.

General Information: 301-759-5019

VITAL RECORDS

The Vital Records division is located in Administration on the first floor of the Willowbrook Office Complex.

Birth Certificates

Birth certificates are available at the Allegany County Health Department for a \$30.00 fee. An acceptable government issued (driver's license or MVA issued) photo I.D. or U.S. Passport is required. All identification must have an issue and expiration date; no expired I.D. will be accepted. Birth certificates are provided to the person whose birth record is requested or the person's parents. Birth certificates before 1940 must be obtained from the Division of Vital Records in Baltimore, Maryland. All legal documents (i.e. court orders, power of attorney, or notarized letter) must be sent to Baltimore with an application to obtain a birth certificate.

Death Certificates

Death certificates are provided to funeral directors for 30 days after a death, and assistance is provided to individuals seeking death certificates.

Hours of Operation:

Monday through Friday, 8 a.m. to 3 p.m.

General Information or to Obtain Copies of Records: 301-759-5002
