Allegany County Health Planning Coalition
Local Health Action Plan FY 2015-2017

Based on the results of a community health needs assessment, the Allegany County Health Planning Coalition (Coalition) created the following Local Health Action Plan (LHAP) to improve health and wellbeing in Allegany County. The Coalition is charged with implementing the LHAP, measuring progress, and building on best practices already in use in the community. The LHAP addresses three priority areas:

1. Access and Socio-economics (children in poverty, primary care access, adult dental access, health literacy, homelessness)
2. Healthy Lifestyles and Wellbeing (smoking, physical inactivity, domestic violence, fall-related injury and death, healthy weight)
3. Disease Management (behavioral health, diabetes, heart disease, hypertension, asthma)

Each priority area includes goals, link to the State Health Improvement Process (SHIP), strategies, SMART objectives, responsible parties, timelines, current progress toward the SMART objective, and outcomes including baseline, target, and current status. The LHAP is a three-year plan and implementation is divided into six-month phases: Phase 1 is July-December 2014, Phase 2 is January-June 2015, Phase 3 is July-December 2015, Phase 4 is January-June 2016, Phase 5 is July-December 2016, Phase 6 is January-June 2017, and Ongoing indicates that implementation will occur over all six phases. The LHAP also includes supporting strategies which are underway in the community and may contribute to the achievement of LHAP goals and outcomes, but are not overseen by the Coalition. The LHAP works to build upon, and not duplicate, existing community health improvement efforts.

Acronyms and Abbreviations

ACHD = Allegany County Health Department
AHEC = Area Health Education Center
AHR = Allegany Health Right
Assoc. Ch. = Associated Charities
Bd of Ed = Board of Education
CASA = Court Appointed Special Advocates
CHF = Congestive Heart Failure
CHW = Community Health Worker
CMA = Cumberland Ministerial Association
CUW = County United Way
DOD = Department of Defense
DSS = Department of Social Services
ED = Emergency Department
FCRC = Family Crisis Resource Center
FTE = Full-time Equivalent
FVC = Family Violence Council
HRDC = Human Resources Development Commission
LMB = Local Management Board
MH = Mental Health
MHCE = Make Healthy Choices Easy
MHSO = Mental Health System's Office
PCP = Primary Care Provider
TSCHC = Tri-State Community Health Center
UM = University of Maryland
WMd = Western Maryland
WMHS = Western Maryland Health System

The following is an update for Phase 5 July-December 2016.

Access and Socioeconomics

GOAL	SHIP AREA	STRATEGY	SMART OBJECTIVE	WHO	WHEN	Phase 5 JY-Dec 2016	OUTCOMES	BASELINE	TARGET	CURRENT STATUS
A: Improve access to appropriate care	Reduce percent of individuals unable to afford to see a doctor	1. Enhance Community Health Worker Program by increasing linkages to needed community services	Between July 1, 2014 and June 30, 2017, community health workers will provide 6,000 resource referrals for high-risk patients. **Fy15-2374 , FY16-3692** Between July 1, 2014 and June 30, 2017, community health worker clients will make 1,500 healthy lifestyle improvements. **Fy15-602, FY16-982**	ACHD, MHSO WMHS, AHR, TSCHC, AHEC	Phase 1-6	CHWs provided **1197** resource referrals CHW clients made **270** lifestyle improvements	Decrease percent of children under age 18 living in households with incomes below the federal poverty level	24%	24%	**23%**
							Decrease FTE needs for PCPs and MH providers	4.8 PCP 3.8 MH	4.0 PCP 3.0 MH	**5.1 PCPC** **4.2 MH** Next rept by Jy'17
		2. Reduce transportation barriers	Between July 1, 2014 and June 30, 2017, the HRDC Mobility Management Program will provide low-income residents with 6,000 rides to health and human service appointments. **Fy15-3919, Fy16-5989**	HRDC, ACHD, WMHS, TSCHC, Transportation Committee	Ongoing	Mobility Management Program provided **3504** rides	Decrease ratio of people per dentist	1766:1	1473:1	1490:1
		3. Educate community on when to use ED, Urgent Care, PCP (Is it Safe to Wait?)	By July 1, 2015, reach at least 800 people with an education campaign on when to use primary care, urgent care, and the emergency room. **Fy15-1000**	Coalition, WMHS, Dental CHW	Phase 1-2	1,000 people reached with educational campaign	Decrease percent of adults who self-report not having been to a dentist or dental hygienist in the past year	32.13%	28.9%	no update
		4. Address health inequities and literacy to increase patient understanding and decision making.	Between July 1, 2014 and June 30, 2017, train at least 600 health/social service professionals on cultural competency, health literacy, and/or social determinants of health. **Fy15-463, Fy16-591**	WMHS, ACHD, AHEC, TSCHC, Providers, CHWs, Allegany Radio,	Phase 1-6	**80** professionals trained	Decrease the number of individuals known to be homeless, receiving homeless services, or at risk of being homeless	492	320	291
B: Enhance early childhood development	Reduce child maltreatment Increase access to healthy food	1. Establish home visiting program for high risk families	Between July 1, 2014 and June 30, 2017, the Healthy Families Allegany County Program will provide home visiting services to at least 30 high-risk families. **Fy15-10, Fy16-33**	ACHD,LMB, YMCA, DSS, Bd of Ed, HRDC	Phase 1-6	Home visiting program assisted **45** families (cumulative)				
		2. Assess food needs and refer to appropriate organizations for food security	By July 1, 2015, at least 3 new food resources will be offered in the community. **Fy15-3, fy16-4** By July 1, 2017, at least 6 organizations will be using the food security assessment. **Fy15-3, FY16- same 3**	CHWs, CUW, DSS, WMHS, ACHD, CMA, Providers, Assoc. Ch., WMd Foodbank	Phase 1-5	**1** new food resources offered in the community **0 new** organizations using food security assessment	Decrease the percent of adults who report missing appointments due to problems finding transportation	25%	20%	**16%**
Supporting Strategies: • Mountain Health Alliance- efforts to increase dental access especially for adults, as well as provider recruitment and rural medical education. • Housing initiatives of the Homeless Resource Board and various Housing Authorities • Early Childhood Advisory Council- various projects to improve school readiness, recently received grant support • Appalachian Mountain Maryland Innovative Readiness Training (DOD)-10 day event from August 13-22 providing dental, vision, pain management, medical assessment and veterinary services at the Allegany County Fairgrounds • Mental Health First Aid Trainings- Trainings to reduce stigma associated with mental health and to improve community response to those in need of support until professional help arrives • Bridges to Opportunity – a community effort to address all causes of poverty. The Getting Ahead class assists community members to transition out of poverty.							Decrease the number of level 1 and 2 visits to the ED	15,501	6,000	**8219**

Healthy Lifestyles and Wellbeing

GOAL	SHIP AREA	STRATEGY	SMART OBJECTIVE	WHO	WHEN	Phase 5 JY-Dec 2016	OUTCOMES	BASELINE	TARGET	CURRENT STATUS
A: Increase healthy choices, including availability and affordability	Increase the percent of adults who are at a healthy weight Reduce the percent of children that are considered obese Reduce the percent of adults who are current smokers	1. Review, propose and implement policy and environmental changes to make healthy choices easier	Between July 1, 2014 and June 30, 2017, at least 6 policy and environmental changes will be implemented. **Fy15-2, Fy16-10**	ACHD, WMHS, MHCE, Housing Authority	Ongoing	**4** policy and environmental changes implemented	Decrease percent of adults who smoke	24%	23%	**17%**
		2. Support behavior change with use of motivational interviewing and low cost, accessible programs such as 95210, Tai Chi, Everybody Walk, Quitline, Smart Moves.	Between July 1, 2014 and June 30, 2017, at least 6,000 residents will participate in low-cost, accessible healthy lifestyle programs. **Fy15-2768, fy16-5845** By June 30, 2017, at least 30% of low-cost, accessible healthy lifestyle programs will measure behavior change. **Fy15-12, FY16-60**	ACHD, WMHS, MHCE, CHWs, AHEC	Ongoing	**2027** residents participated in healthy lifestyle programs Approximately **58%** of healthy lifestyle programs measure behavior change	Decrease percent of adults that report no leisure time physical activity Decrease percent of elementary children who are in the 95th percentile or higher for body mass index	32% 20%	30% 13.6%	**29%** **19.3%**
B: Provide violence intervention programs	Reduce domestic violence	1. Increase awareness of domestic violence and determine gaps in service. (Reference Access/SE-Action B1)	Between July 1, 2014 and June 30, 2017, at least 10 domestic violence education and awareness efforts will be conducted. **Fy15-7, fy16- 9**	DSS, WMHS, FVC, FCRC, Child Abuse Task Force, Jane's Place, CASA	Ongoing	**0** education and awareness efforts conducted	Decrease number of domestic violence crimes per 100,000 population	unavailable	600	**608.6**
		2. Promote development of positive, non-abusive relationships for improved health.	Between July 1, 2014 and June 30, 2017, a least 200 residents will participate in new initiatives to promote development of positive, non-abusive relationships. **Fy15-91, fy16- 233**	Coalition, Agencies awarded grants	Phase 2, 4, 6	**0** residents participated in initiatives to promote positive relationships				
Supporting Strategies: • Tobacco assessment tools (4P's Plus and cessation programs) by Allegany County Health Department and partners • Tracking BMI of elementary school students via school health nurses • School Based Violence Reduction efforts with Board of Education, Health Department and other partners										

Disease Management

GOAL	SHIP AREA	STRATEGY	SMART OBJECTIVE	WHO	WHEN	Phase 5 JY-Dec 2016	OUTCOMES	BASELINE	TARGET	CURRENT STATUS
A: Provide disease management targeting individuals with multiple conditions, in conjunction with primary care providers	Reduce diabetes-related emergency department visits Reduce hypertension-related emergency department visits	1. Support coordination of disease management programs, especially those for diabetes, heart disease and asthma.	Between July 1, 2014 and June 30, 2017, at least 3 cross-agency disease management initiatives will be implemented. **Fy15-2, FY16- same 2**	WMHS, ACHD, TSCHC, YMCA, HRDC, UM Extension	Ongoing	**1** cross-agency disease management initiatives implemented	Decrease rate of behavioral health-related ED visits per 100,000 population (Note: includes mental health and addictions)	7517.9	4794	**6216.5*** **Mh-4722.9 SA1493.6**
		2. Implement educational interventions to focus on self-management of chronic diseases.	Between July 1, 2014 and June 30, 2017, at least 200 people will participate in chronic disease self-management programs. **Fy15-137, Fy16-209**	WMHS, ACHD, TSCHC, AHEC, YMCA, HRDC, UM Extension	Ongoing	**74** people participated in chronic disease self-management programs	Decrease rate of diabetes-related ED visits per 100,000 population	379.6	192.1	**241.4***
B: Increase availability of behavioral health services	Reduce emergency visits related to behavioral health	1. Establish a behavioral health learning collaborative	By July 1, 2015, a behavioral health learning collaborative will be established with at least 20 providers participating. **Fy15-32**	MHSO, Behavioral Health Providers, AHEC	Phase 1-2	Collaborative established with 32 providers participating	Decrease age-adjusted death rate from heart disease per 100,000 population	256.8	236.8	**253.2***
		2. Implement screening process for depression and anxiety including referral source for Providers when needed.	Between July 1, 2014 and June 30, 2017, primary care providers will be screening for anxiety/ depression and at least 20 referrals will be made to behavioral health urgent care. **Fy15-23, FY16-39** Between November 1, 2015 and June 30, 2017, 75% of patients in participating practices will be screened for behavioral health needs. **Fy15-0, FY16-100%WMHS**	WMHS, ACHD, TSCHC, Private Providers, MHSO	Phase 1-6	No new anxiety/ depression screening. **42** patients referred to behavioral health urgent care (30 used) **81% utilization rate** **100%** of WMHS practices and **Medicare% of ACO** practices annually screen for BH needs	Decrease rate of ED visits for hypertension per 100,000 population Decrease rate of ED visits for asthma per 100,000 population	225.1 68.9	214.4 55.6	**279.1** **61.8**
Supporting Strategies: • Prescriber education, prescription drug use screening, and enhanced coordination is being overseen by the Overdose Prevention Task Force. • Center for Clinical Resources of WMHS focuses on Diabetes, CHF, COPD, anticoagulation, and may be expanding to kidney disease.										

*Better than baseline but have not improved since prior year

Support strategies underway in the community which contribute to achievement of Local Health Action Plan Phase 5 JY-Dec 2016

Mountain Health Alliance- Efforts to increase dental access especially for adults, as well as provider recruitment and rural medical education.

Housing initiatives of the Homeless Resource Board and various Housing Authorities. (**Courtney)**

- Local rapid rehousing program implemented in July 2014, through County United Way support has continued. The program provides individuals and families that are either homeless or at-risk for homelessness $200 per month in housing support for up to 10 months; followed by an additional $100 for the next 10 months. Eleven families are currently receiving assistance through the program.
- The Section 8 Housing Voucher Program -Currently 161 households are being served through the County Program and 395 through the City of Cumberland's Program. The County waitlist increased to 198 households and 479 for the City. Average wait time to receive a voucher is 435 days for a County resident and 960 days for a City of Cumberland resident. Despite media reports no new housing vouchers were issued to our area or statewide. Further, the local residency preference remains in place. An individual must reside in Allegany County or the City of Cumberland for a period of 1 year before they will be added to the local waitlist. The local waitlist must be fully exhausted before people on the waitlist from outside the area are eligible for a voucher- regardless of when they apply.
- HRDC received 15 new VASH Vouchers effective July 1, 2015 which brings the total number of available VASH vouchers for the County to 18. Total VASH vouchers currently in use: 16. HRDC anticipates being awarded additional VASH Vouchers in April 2017.
- The Cold Weather Shelter, funded through the support of County United Way, area churches, and the Western Maryland Health System's Employee fund served 26 individuals (494 bednights) thru January 2017. The new Executive Director has chosen to only open the CWS on nights when temperatures drop below 30 degrees. Alternate locations for a CWS are being actively pursued for FY18.
- Allegany County's HUD FY16 Continuum of Care application was funded in the amount of $650,648. The application scored 20 points higher than the previous year but more work needs to be done to increase available funding.
- Planning for the FY17 CoC planning has begun with required data submission deadlines beginning in March 2017.

Early Childhood Advisory Council- various projects to improve school readiness, recently received grant support. Recent report showed 34% ready to learn. Felt it may be more accurate based on timing of testing.

Appalachian Mountain MD Innovative Readiness Training (DOD)-10 day event from August 13-22 providing dental, vision, pain management, medical assessment and veterinary services at the Allegany County Fairgrounds **(Done)**

Mental Health First Aid Trainings- Trainings to reduce stigma associated with mental health and to improve community response to those in need of support until professional help arrives **(Lesa)**

- 11 classes, 116 people

Bridges to Opportunity: (Nancy)

- 15more Getting Ahead graduates in December
- 7 of the 9 investigators in the Investigations into Economic Class at FSU completed the class.
- Poverty Simulation was piloted with 38 participants and 16 staffers

Tobacco assessment tools (4P's Plus and cessation programs) by Allegany County Health Department and partners. **(Chris)**

- 240- 4 P's Assessments, 23% of pregnant women are using tobacco , 85% that cut back on cigarette use
- There were no pregnant women referred to the cessation program
- 1 program offered with nicotine replacement - ACHD
- 83 people participated in cessation program, 18 people quit through cessation program and 32 repeated cessation program

Tracking BMI of elementary school students via school health nurses.

	2014-15	2015-16	2016-17
Underweight (<5%ile)	2.5%(92)	3.1% (125)	3.2% (136)

School Based Violence Reduction efforts with Board of Education, Health Department and other partners. (Kristi)

- We have licensed workers/certified nurses in all of the schools in Allegany County.
- We provide 30 hours per week for mental health enhancement which involves our staff being available for consultation, questions, updates, etc. from school staff.
- Utilization rates of the mental health enhancement times have remained steady and consistently utilized by school staff

Prescriber education, prescription drug use screening, and enhanced coordination is being overseen by the Overdose Prevention Task Force.**(Becky)**

- We had the PDMP training in Aug 2016 partnered with WMHS
- Training had to be rescheduled for the DEA Heroin & Opioid Epidemic partnered with WMHS now scheduled for March 2017.
- The CDC released an App in late December 2016 for the Guidelines on Prescribing Opioids for Chronic Pain. Letters went out to all providers in early Feb 2017 informing them of this.
- New section was added to the Prescribe Change Website specific to Prescribers
- Several opportunities with radio Dave Norman Show July 2016 radio spots, billboards informing the public to do safe storage and to utilize the drop-off to sites for expired or unused medications.
- Presented at Frostburg State Symposium Obstacles and Opportunities in Appalachian Sept 2016
- Presented at AC Drug Abuse In Western MD Sept 2016
- The OMPP grant is awarded again for FY 18

Center for Clinical Resources of WMHS focuses on Diabetes, CHF, COPD, anticoagulation, and may be expanding to kidney disease. **(Nancy)**

- 832 referrals between July-Dec 31.2016
- 56 Telephone avoided ER visits COPD, DM, and CHF
- 8826 office and phone encounters COPD, DM, CHF
- % no shows vs scheduled: COPD is 12.9%,CHF is 5%, DM is 9.95%
